## 2022-2023 TRANSPORTATION FOR SCHOOL OF CHOICE APPLICANTS

The River Rouge School District would like to notify School of Choice applicants that transportation may be available, provided there are approximately 4 students requesting transportation from the same geographical area. As there is a new routing process being developed for this school year, these routes will be updated and re-routed as necessary after the first few weeks of school. Any route and stop changes will have a 24/48-hour turnaround time.

**Please choose from the already established routes.**
