Dear Parents/Guardians,

**T**his letter is to inform you that your son/daughter is scheduled to attend our **Gear Up MANDATORY Summer Program** to be held at River Rouge High School. Curriculum materials have been developed for this summer program and will focus on skill development in the areas of reading comprehension, writing strategies, mathematical concepts, and problem solving. This is a 4-week program scheduled from **Monday, July 8, 2024 through Thursday, August 1, 2024**. Hours of operation are **8:00 a.m. – 1:00 p.m.**

Because your child has not successfully mastered key grade level concepts for promotion, their attendance is critical. As a result, a student may not miss more than 2 days of the Gear Up Mandatory Summer Program to be eligible for completion of the program and promotion to the next grade. This is a partnership between the school and the home and we can ensure you we will do our part. We are counting on you to make sure your son/daughter is in attendance on a daily basis because we do not want them to fail.

River Rouge Public Schools will provide a free and nutritious breakfast and lunch during the program. Breakfast will be served promptly from 7:45 a.m. – 8:00 a.m.

**We have limited spaces. First Come First served. Please register as soon as possible. The last day to register is Tuesday, July 9, 2024 if spaces are available.**
