The Ann Visger Summary

Ann Visger Preparatory Academy
11121 Jefferson Avenue
River Rouge, Michigan 48218

Happy New Year! As we embark into the new year, this is also a time of **"Academic Urgency"**, at Ann Visger. Parents, Ann Visger staff is completely committed to seeing positive academic gains in all of our young scholars, and we need your support in doing so.

President Obama has a cradle-to-career plan to reform our nation's schools. He also is calling on parents to take responsibility for their child's success. His vision includes the belief that all children can and will succeed, and that parents are the bridge to this success.

You as the parent, guardian or caregiver can help your child by connecting with our school to find out what's needed to ensure success and how you can help reach that goal. Studies of successful schools report that parent involvement is a major factor in their outcomes, including closing the achievement gap between various groups of students. With his vision, the president is asking that you make education a priority and a legacy for your family.

Upcoming Events

School Resumes NWEA Begins	1/04
MLK Day (No School)	1/18
Records Day (Half Day) Semester Ends	1/22
Parent Meeting 3rd-5th Grade	1/22

M-Step

Michigan Student Test of Educational Progress

Ann Visger staff and students (also known as the Test Busters) are preparing extensively for "Rocking the Core", by passing the M-Step. AV students will receive instruction and practice that aligns with the Common Core State Standards that is similar to the level of rigor that mimics the M-Step. Additionally, every instructional minute counts, thus, our students will receive test taking courses that will assist them in preparing to have a STRESSLESS Test. Last, they will receive support and encouragement that will build up their confidence and self esteem. We know our STUDENTS will "ROCK the CORE".

M-STEP TEST BUSTERS

When

2015-2016

Where

Ann Visger Preparatory Academy

11121 W. Jefferson, River Rouge, Michigan 48121
