## ELA NEWS

**Accelerated Reader Celebration**  
Sabbath students who reached 50% or more of their Accelerated Reader Goal for Quarter 2 were rewarded with an Ice Cream Sundae party. Great job Sabbath students - keep on reading!

On December 18<sup>th</sup>, 2015, Sabbath school celebrated an Accelerated Reader milestone ~ 1000 books read and quizzes passed in 30 days! Sabbath 7<sup>th</sup> grade student Anthony McCrary was our 1000<sup>th</sup> Accelerated Reader quiz recipient. Congratulations to all students and keep on reading!!

## Holiday Concert 2015

The Sabbath Choir program will be starting a specialized singing group that will consist of students that are seriously interested in going to the next level with their abilities. This group will meet every Thursday after school beginning January 28, 2016. In addition, the choir classes are currently preparing musical selections for our upcoming Multicultural program to be held March 1<sup>st</sup>, 2016. If you have any further questions and/or can provide performance opportunities, please contact Mr. Joshua Hicks @ 248.202.8619 or [joshua.hicks@riverrougeschools.org](mailto:joshua.hicks@riverrougeschools.org).

## Students of the Month

**Ely Vazquez Vanzant.**

The reason I came to Sabbath was because I really enjoy art, by art I mean music and painting. I also enjoy the staff in this school and how nice they treat you. They help me learn more and treat me like any other individual in this school.

**Arianna Brienne VanZant**

I hope that other girls and boys will stop messing around and make their mark on the school. I attended this school because lots of people recommended this school for me. I guess this is what makes the WORLD'S GREATEST MIDDLE SCHOOL.

**Eugene**

**De'angelo Campbell**

I came here to get good grades so I can go to college and get the job I want. Going to Sabbath is just the start and I am willing to finish it.

Paige Kierra Burns

I attend "The World's Greatest Middle School". The reason I attend Sabbath Middle School is because I went to the Art Beats and Eats fundraiser for a field trip. When I went to the field trip I could picture myself being a student here. That is why I believe I picked the right choice to come to Sabbath Middle School also known as "The World's Greatest Middle School."

# Science News

8<sup>th</sup> Graders plant Serviceberry and Bur Oak trees around Sabbath school.  
Donated by The National Wildlife Society.

## Farewell EMU Students

Sabbath School shows our appreciation to Eastern Michigan University personnel and student teachers surprising them with a morning treat. We appreciate all of your efforts EMU and look forward to working together in 2016!

7<sup>th</sup> Grade students in Mrs. Ruppel's science class related making a smore to chemical and physical changes in matter.

## Message From the Principal

Dear Sabbath Parent/Guardian,

Welcome to the second semester! Students and staff returned from the holiday break refreshed and fired up to continue the academic, athletic, and personal success we enjoyed first semester. Second semester is a good time to talk with your student about setting personal and academic goals, such as: be on time, do homework each night and get help when they need it. Our staff offers so many opportunities for individual help through after school programs, tutoring and clubs.

If during the course of this semester you notice that your son/daughter is struggling with anything, please do not hesitate to contact our parent coordinator, Mr. Eric Pettway. We look forward to a very productive and successful second semester.

Brandon C. Cox  
Principal
